

I am writing to tell you that we plan to carry out pavement surveys on the A47 between Dogsthorpe Roundabout and Eye Green Roundabout. The reason for these surveys is to check the condition of the road, which involves taking samples from the carriageway and using radar to look beneath the surface. This helps engineers plan any future repairs or improvements to the road.

We plan to complete this work over **four nights** between **Monday 20 January** and **Friday 24 January 2025**. We will work between **8pm** and **6am only**, weather permitting.

#### **Closures and diversions**

To carry out the work safely, we will need to close the A47, and divert traffic as detailed below:

A map of the diversions can be found below.

<b>Closure</b>	<b>Dates</b>	<b>Diversion</b>
Dogsthorpe Roundabout to Welland Road Roundabout	Monday 20 January to Tuesday 21 January 2025	<p>Traffic wishing to travel eastbound on the A47 to Eye Green will need to exit at junction 20, Dogsthorpe Roundabout onto Paston Parkway (A15). At Eye Roundabout take the first exit onto Eye Road (A1139) to rejoin the A47 at Littlewood Roundabout.</p> <p>Traffic wishing to travel westbound on the A47 to Dogsthorpe roundabout will follow the same diversion as above, but in reverse.</p> <p><b>(Map 1)</b></p>
Welland Road Roundabout to Eye Green Roundabout	Tuesday 21 January to Friday 24 January 2025	<p>Traffic wishing to travel eastbound on the A47 through Thorney will need to exit at junction 20, Dogsthorpe Roundabout onto Paston Parkway (A15). At Eye Roundabout turn right onto Frank Perkins Parkway (A1139) and then exit at junction 3a onto the A605. Continue on the A605 and follow to the A141. Join the A141 northbound before rejoining the A47 at Guyhirn Roundabout.</p> <p>Traffic wishing to travel westbound through Thorney will follow the same diversion as above, but in reverse.</p> <p><b>(Map 2)</b></p>
