Dear Sir or Madam

Re: C71 Burnthouse Road, Turves

I am writing to advise you that our contractor Cambridgeshire Highways will be carrying out localised carriageway patching on Wednesday 5th March 2025 in advance of a carriageway Surface Treatment in 2025.

Works are anticipated to last one day (weekday working only), during this period the road will be closed from 8am to 4pm, and vehicular access will be restricted. A signed diversion route will be in place for through traffic.

For the contractor to complete the work with minimum disruption, it is essential that no vehicles are parked on the road. If you have access requirements, please speak to a member of the crew onsite who will be able to assist you.

Access to properties within the road closure will be possible, but are subject to working conditions, and delays should be expected.

Please look out for the advanced notices on site, these will give the most up to date information regarding dates and times; alternatively, you can contact us using the details at the top of this letter.

There will be some noise and disruption associated with the work, and I apologise for any inconvenience this may cause.

If you have any questions regarding the works, please do not hesitate to contact me.

Thank you in advance for your co-operation on this matter.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Bob Rossiter', written over a light blue horizontal line.
