## Calling all health and social care providers!

As part of National Apprenticeship Week 2025, we would like to invite you to an exciting event this Valentine's Day!

We are thrilled to be opening the doors of the School of Nursing Studies for you to join us for our very first Love to Grow Day with CWA, on Friday 14th February 2025, from 10:00AM – 3:30PM at College of West Anglia's King's Lynn campus.

With our new Level 3 Senior Healthcare Support Worker apprenticeship coming soon, this event is a fantastic opportunity to experience our facilities, participate in interactive workshops in our simulation suites, and find out more information about training and development opportunities at College of West Anglia.

## Event Highlights

- Heart to Heart Bingo
- Staff Development Speed Dating
- All Hands to the Pump workshop
- Complimentary lunch and refreshments throughout the day
- CWA goodie bags to take away

To secure your place at this event, please click the following link to complete the booking form

If you have any questions, please don't hesitate to ask us by contacting our email [schoolofnursing@cwa.ac.uk](mailto:schoolofnursing@cwa.ac.uk)

We look forward to hearing from you.

Kindest regards

The School of Nursing Studies team at College of West Anglia
